

ARCHITECTURE

WAVEFORMS (NI, MS, & Universal)

LICENSE AGREEMENT

This license agreement is an agreement between you and Galbanum | sonic science aural allusion. It governs your use of one of the following products:

- 1.) Architecture NI Waveforms
- 2.) Architecture MS Waveforms
- 3.) Architecture Universal Waveforms

as supplied to you by Galbanum. By purchasing, downloading, installing or otherwise using one or more of these products or any part of their contents, you agree to be legally bound by the terms of this license agreement.

With the purchase of this product you have acquired a single-user license. Any other use in whole or in part (giving, trading, lending, renting, re-issuing, re-distribution or re-sale of this product or any of the contained content) is expressly prohibited, without the prior written permission of Galbanum.

All material contained in this product is intellectual property of Galbanum. The provided contents including any and all audio samples, graphic files, text files, wavetable data, and all other resources are produced exclusively by Galbanum and remain property of Galbanum. This agreement grants you use of this property, and establishes the conditions of this use.

Specifically, this product can be used for commercial or non-commercial music and audio productions including synchronization/scoring work without the prior or additional permission from Galbanum under the terms of this agreement. All other uses of the contents of this product are also granted without condition, with one exception.

This exception is namely: Galbanum expressly disallows any part of this product or its contents to be used directly and specifically for the production of similar or derivative commercial content libraries, which use contents from this product either in their exact form/state or in forms/states which are clearly derived from parts of this product. Translating or reverse engineering and redistributing this product or any part of its contents for 3rd party applications is also forbidden. All other similar use is also forbidden. Generally any desired use of this product, its contents, or direct derivatives for purposes of the production and commercial exploitation of audio-visual content libraries, software instruments and applications, synthesizers, DSP applications, or similar products, is not automatically granted under the terms and scope of this agreement. This type of use may be granted at the sole discretion of Galbanum on a case by case basis under additional licensing terms agreeable to both parties if any potential third party expresses such interest. Interested parties should contact Galbanum via e-mail to discuss said interests, and we will do our best to be as reasonable as possible given the nature of this product.

This license will terminate automatically without notice by Galbanum if you fail to comply with any provision of this license. Upon termination you shall destroy all copies of the product.
